

## **Service and Leadership Contribution:**

The scholarship is designed to develop and promote leadership. It is hoped that, by rewarding the spirit of giving of one's time and or talent to St. Catherine's Student Center Drake Newman Community, while studying at Drake, participating students will be motivated to unselfishly share their unique gifts wherever they worship throughout their lives.

**Write an essay describing your contribution of time and or talent to St. Catherine Student Center Drake Newman Community during the current academic year. Do not exceed two pages, double spaced. Include the following:**

1. Approximate number of hours donated
2. To whom was your contribution directed? (Students, Resident Parishioners or Others)
3. What personally motivated this particular contribution?
4. What was your goal for those whom you served?
5. In your opinion, was your goal realized and do you have any supportive evidence?
6. How did this contribution help develop your leadership skills and did it strengthen your motivation to continue as an active contributor to the spiritual and or community life of the church?
7. In addition, if your contribution was a research project, it should include scholarly references. You should also be prepared to defend it before the Selection Committee and to present it to our church community.
8. Include with your essay a letter of Recommendation by a Resident Parishioner.
